

Senedd group – Digital leaders

School group: Digital leaders			
Minutes	Date: 3/10/25		Taken by: Mr L Morris
Pupils attended meeting:14	Blwyddyn 4: Ivy, Harry J, Teddy, Lily T, Arthur, Millie.	Blwyddyn 5: Jack, Aidan, Eddie	Blwyddyn 6: Aria, Caitlin, Charan, Austin, Dexter.
Agreed target	Autumn: Audit what is available on all technology and see what softwares people are using.	Spring:	Summer:
Agenda	Discussion		Agreed outcome / jobs that need doing. Who? When?
Voting chair and vice chair.	Some put themselves forward and then everyone in attendance voted for their top two.		Check what apps and softwares have been un-officially downloaded on the ipads.
Discussed what needs to be done to do with technology.	Pupils went out to other classes to find out what apps are available. And found some inappropriate content on Itunes. Also some possibly inappropriate content on CapCut.		Tell Mrs Davies about the safety of technology. And also showing proof such as the smashed ipad.
We mentioned looking after technology.	Some ipads have been left outside and some screens are already smashed.		Ask Mrs Davies to host an assembly to do with keeping technology safe and using it responsibly.
Actions required by next meeting: 1. Audit all digital technology 2. Create tally charts for each class (Every time someone uses an app make them mark it down so we can see if apps are being overused or not at all) 3. We (Digital) are going to be the classroom experts and help and teach others.			
Date of next meeting:Not officially known, possibly December
